

## STATEMENT OF PURPOSE

### RS21095C1

This Senate Concurrent Resolution authorizes the Legislative Council to appoint a Committee to undertake and complete a study of the feasibility and means necessary for the State of Idaho to obtain primacy over regulation of wastewater discharges to surface water.

## FISCAL NOTE

Typically an interim committee consists of seven (7) members of the House of Representatives and seven (7) members of the Senate. The cost to the general fund would be approximately \$10,000.
